# ARIIX Lifestyle Perks

Because remarkable people deserve extraordinary rewards.

## HOW TO BE AN ARIIX TRAVELER

For a low annual fee of \$128.88 USD, you gain access to a truly unique travel program. For every dollar you spend with ARIIX, you earn one back in Reward Dollars — even for your travel program fee! Use your Reward Dollars to increase your savings on your next adventure.

Plus, you can use your ARIIX Opportunity Rewards (AOR) Credits to complete your travel purchase. That means if you've accrued enough Reward Dollars and Opportunity Credits, you can book your entire trip for FREE!

## SHARE THE PERKS

You can share your Reward Dollars with your friends, family and prospects and earn cash back when they book! The more you share, the more you earn.

# Exclusive savings on the brands you love.

We've taken the quality and value of ARIIX products and made them even more affordable. So, pass on the bargain brands and upgrade your day-to-day by opting for the best-in-class version from ARIIX!

**YOU CAN ONLY ADD 3 OF THIS LOYALTY ITEM!**

## HOW IT WORKS

Earn 100 PV every four weeks to maintain your access to the exclusive savings. To shop, toggle the "Shop Loyalty" button on the ARIIX shopping cart. See your Reward Bank in the top left-hand corner. Once you finish your purchase, the Reward Dollars are removed from your bank.

## BOOST YOUR SAVINGS

You can choose to ship and process your order right away, but don't miss out on extra savings. Save more on shipping by opting to include your Loyalty purchases in your next Auto-Delivery shipment.

## INCREASE COMMISSIONS

Loyalty Shopping purchases earn PV, so they add to your commissions, too. Imagine how much more you can make if every member of your team experiences just one more product each month. Earn more while they save more!

## GOTTA HAVE IT? GET IT!

Don't be surprised if you see a message limiting the quantity when you try to purchase 50 bottles of ReviiVe™ Shampoo — because yes, the price will be THAT good! Check back again because quantity limits can periodically change and vary by product.

Product selection varies each month.
